Circular

Subject: Regarding Higher education session

An informative session about higher education in foreign universities is organized through The Princeton Review by Continuing Education and Higher education cell. For which, the registered students are informed to get exposed about the higher education opportunities, scholarships, visa requirements and procedures. The program will be held in the Mechatronics Block Seminar Hall on 11-03-2022 between 03:00 PM – 04:00 PM. Students can avail OD through their respective departments to attend this program and instructed to adhere the program timings. The registered student details have been enclosed along with this mail for the reference.

I'm Harish Ragavendher from chemical engineering dept. I did choose this field on my own to be unique but now I'm realising that chemical engineering is not my cup of tea.So can I do my higher studies in abroad in some other field of my own intrest for which I'm doing some works in the background...?
