INTERNSHIP COMPLETION LETTER

To whomever it may concern

We are glad to inform you that **Ms.R.Mathushree** from **Kongu Engineering College** has successfully completed her internship at ASTRO Research Society from **13th June 2021 - 15th August 2021**.

During her internship, She was exposed to the various activities in **Space Food Research and Product Development**.

We found her extremely inquisitive and hard working. She was very much interested to learn the functions of our core division and also willing to put her best efforts and get into the depth of the subject to understand it better.

Her association with us was very fruitful and we wish her all the best in her future endeavours.

For ASTRO Research Society

P.R.S. Rao,
Head of Internships
