Dear Sir,

As a part of our curriculum, we need to develop a project for the course, "**Project Work 1 Phase II**". We are allowed to present the applications that we are developing through Internship. Thus, we require your permission to showcase "**Nurse on Wheels App**" which we have been working on *Logic Research Labs*.

Thank You

P.S.

**Project Members:**

Abinash S (18CSR002)  
Ajay R (18CSR007)  
Arul Prasath V (18CSR015)

**Project Guide:**

Hi Abinash,

Approved to present your work as Intern project.

Kindly keep the information confidential within the team members and the Guide.

Best Wishes.

Thanks & Regards,
