**SEED GRANT RESEARCH SCHEME SANCTION ORDER**

Ref. No: KEC/R&D/SGRS/01/2020

Dated: 28<sup>th</sup> July 2020

**Subject:** Financial sanction of the research project entitled "Investigation on the effects of light fuel fumigation on biodiesel fuelled CI engine in dual fuel mode" for "Mr.A.Tamilvanan of Mechanical Engineering as PI" and "Mr.S.Dhamotharan of Mechanical Engineering" as Co-PI" under SEED Grant Research Scheme

Our Management is pleased to sanction the above mentioned project for the possible funding through SEED Grant Research Scheme of our Institution. Sanction of SEED Grant is hereby accorded to the above mentioned project at a total cost of "Rs. 3,56,300.00" with break-up of "Rs. 2,95,000.00" under "Non-Recurring" and "Rs. 61,300.00" under "Recurring" for the duration of 2 Years. The items of expenditure for which the total allocation has been approved, are given below:

S.No.	Head	Total (in Rs.)
A	Non-Recurring	
	Equipment: 1. Cylinder head with provision for fixing pressure sensor and CRDI injector with its accessories 2. Pilot injection and CRDI injection setup with programmed ECU with its accessories	2,95,000.00
B	Recurring	
	Consumables - Alcohols and Diesel fuels	61,300.00
C	Total Cost (A+B)	3,56,300.00

- Sanction of the grant is subject to the conditions as provided in "Terms & Conditions" of the application form.
- The amount should not be spent for purposes other than the approved budget as mentioned above and in case any revisions required, it should be informed in advance to the undersigned.
- The sanctioned equipment would be procured as per the directions of the institute purchase committee constituted by the principal and the equipment which is available at the institute should not be purchased under any circumstances.
- Principal Investigator should maintain the details of the purchased equipment in the stock register properly and at the end of every year, progress report should be submitted to the R&D cell. After the tenure of the project, all the equipments and belongings related to the project should be transferred to the department laboratory.
- If the performance of the work is found not satisfactory, then the undersigned has the rights to terminate the SEED Grant Research Project at any point of time.
