Internship Completion Letter

Dear Ranjithkumar T,

Your internship project as a full-stack developer trainee has been successfully completed, according to our records at Machdatum Private Limited. This Internship start date was 15th December 2021 and the end date was 25th April 2022

During this period you were involved in various areas of software product development and successfully met the objectives that were set at the beginning of the project. You show a lot of promise and skills in your project.

Thank you

Hemanand Ramasamy
Chief Executive Officer
