| AWS EC2 - Database in AWS - AWS Cloudfront - ContECS - Fargate and EKS - LB and ASG - Route 53 - Amazon Lex- Amazon Cloudwatch - Serverless Architecture - AWS Lambda - Other services and solutions                         |                                                                                   |   |        |                                    |
| <b>List of Exercises / Experiments:</b>                                                                                                                                                                                      |                                                                                   |   |        |                                    |
| 1. Create AWS account and work with AWS management console                                                                                                                                                                   |                                                                                   |   |        |                                    |
| 2. Use AWS CLI to manage AWS services                                                                                                                                                                                        |                                                                                   |   |        |                                    |
| 3. Use AWS Lambda to create compute service.                                                                                                                                                                                 |                                                                                   |   |        |                                    |
| 4. Develop applications using AWS S3                                                                                                                                                                                         |                                                                                   |   |        |                                    |
| 5. Illustrate automatic scaling with AWS EC2                                                                                                                                                                                 |                                                                                   |   |        |                                    |
| 6. Demonstrate fast content delivery with AWS CloudFront                                                                                                                                                                     |                                                                                   |   |        |                                    |
| 7. Develop container applications using FARGATE                                                                                                                                                                              |                                                                                   |   |        |                                    |
| 8. Develop Kubernetes applications using AWS EKS                                                                                                                                                                             |                                                                                   |   |        |                                    |
| 9. Develop a chat bot using Amazon Lex                                                                                                                                                                                       |                                                                                   |   |        |                                    |
| 10. Build a simple serverless application using AWS services                                                                                                                                                                 |                                                                                   |   |        |                                    |

## CRITERION 2

## Teaching-Learning and Evaluation

## 18VAC72 - Kotlin Programming

FORM-002, Rev. 01.04.2021

**KONGU ENGINEERING COLLEGE**  
 (Autonomous)  
 PERUNDURAI - 638060  
**INTERNAL QUALITY ASSURANCE CELL**

Approved for Value Added Course (VAC) (Two Credit)

Academic Year: 2021-2022 Odd Semester  
 DEPARTMENT OF CSE

06.09.2022

28VACxx – Git and GitHub for Version Control

| L | T | P | Credit |
|---|---|---|--------|
| 1 | 0 | 2 | 2      |

**Preamble:** This course enables students to build their own public repository of projects and promotes collaborative learning in the project development. Also, the course helps to gain knowledge on distributed version control of the software products.

**Unit - I Introduction to Git** 8

Introduction – Installing Git – Getting Started – Basic Git Concepts – File Management and the Index – Commits – Branches – Diffs – Merges – Altering Commits – The Stash and the Reflog.

**Unit - II Repositories** 6

Remote Repositories – Repository concepts – Referencing other repositories – Example using remote repositories – Remote repository development cycle – Remote configuration – Working with tracking branches – Repository management -Patches- Hooks

**Unit - III GitHub** 6

Understanding the Git in GitHub – Introducing GitHub Repositories – Setting up a GitHub Website Repo – Creating a Website with GitHub Pages – Forking GitHub repositories – Writing and committing code – Working with pull request – Exploring and contributing to Open-Source Repository

#### List of Experiments:

1. Experiment on basic Git Commands
2. Creating Git local repository and adding files to it
3. Creating remote repository - GitHub
4. Synchronization of local repository and remote repository
5. Experiment on creating branches and merging branches
6. Experiment on merge conflicts and resolution
7. Working with multiple repositories and configuration files
8. Experiment on Fetch, Pull, Clone and rebasing on repositories
9. Working with Patches and Hooks
10. Experiment on Git graph models and version tracking

Lecture:20, Practical:20, Total: 40

2. Sarah Guthrie and Phil Haack, "GitHub for dummies", 1st Edition, Wiley Publishing, 2019

#### COURSE OUTCOMES:

On completion of the course, the students will be able to

| CO  | Outcome                                                   | BT Mapped (Highest Level)       |
|-----|-----------------------------------------------------------|---------------------------------|
| CO1 | Experiment the Git commands and its application           | Applying (K3)<br>Precision (S3) |
| CO2 | Create personalized Git repository for their applications | Applying (K3)<br>Precision (S3) |
| CO3 | Implement version controlling using Git                   | Applying (K3)<br>Precision (S3) |
| CO4 | Make use of GitHub to design a public repository          | Applying (K3)<br>Precision (S3) |

| <b>Instructions to the Candidate</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |                                 |                                                                                                                                                             |                                                                                     |                                                                                                                                      |  |
| <ol style="list-style-type: none"> <li>1. A printed copy of this Admit Card must be presented for verification along with the original (not photocopy or scanned copy) valid photo identification proof which is mentioned above. In case of poor quality of photo on ID proof, candidate MUST bring an additional recent valid photo ID also (For example: Passport, PAN Card, Voter ID, Aadhaar Card, Driving License).</li> <li>2. Admit Card is considered to be valid only if both the photograph and signature are clear. To ensure this, print this admit card on A4 sized paper using laser printer, preferably in colour.</li> <li>3. To facilitate the verification of their identity by the centre officials, candidates must report to the examination venue at least 90 minutes before the scheduled commencement of the examination.</li> <li>4. Candidates will have to go through Photo-Registration and then be permitted to occupy their seats 60 minutes before the scheduled start of the examination. Candidates can login and start reading the instructions 20 minutes before start of the examination.</li> <li>5. CANDIDATES WILL NOT BE ALLOWED TO ENTER EXAMINATION CENTRE 30 MINUTES AFTER START OF THE EXAM.</li> <li>6. Candidates will NOT be permitted to leave the examination hall before the end of exam.</li> <li>7. During the examination, a virtual scientific calculator will be available on the computer screen, which may be used for the numerical calculations.</li> <li>8. Candidates should NOT bring any charts/tables/papers/books/sheets into the examination hall. Scribble pad will be provided for the rough work. Before using it, candidates must write their individual name and registration number. The candidate can possess ONLY one scribble pad at any point of time. Before taking the second scribble pad, if required, the first scribble pad MUST be returned to the invigilator. At the end of the examination, the remaining scribble pad must also be returned to the invigilator.</li> <li>9. Personal calculators, any kind of watches, wallets, mobile phones or any other electronic/communication devices are STRICTLY PROHIBITED inside the examination hall. GATE authorities are not responsible for the safekeeping of candidate's personal belongings. During the examination, candidates may be checked for possession of any of the prohibited items. If the candidate is found to possess any of the prohibited items, candidate will be debarred from the examination and/or subjected to disciplinary action, which may include ban from appearing in future examinations.</li> <li>10. Candidates must bring their own pen, pencil, transparent water bottle and pocket size hand sanitizer. Without proper face MASK in place, the entry of the candidate in the examination center shall be PROHIBITED. MASK must be in proper position throughout candidate's presence in the examination hall.</li> <li>11. Before entry to the examination centre, the centre officials may assess the health condition of the candidate. All candidates MUST adhere to the COVID related protocols in compliance with the orders and directives of Government of India and local authorities.</li> <li>12. As per Govt. order, any candidate who is Covid-19 positive or has any other infectious/contagious diseases, MUST NOT come out of home/hospital; and hence the entry for such candidate will be DENIED. Asymptomatic candidates, if any, who have temperature higher than 99.4°F or Cough/ Runny Nose will be taken to ISOLATION area for the examination.</li> <li>13. On the exam day, candidate must NOT have COVID symptoms, NOT in quarantine and was NOT in close contact with any COVID patient during the last fortnight.</li> <li>14. Violation of any of the above guidelines including impersonation or breaking of code of conduct for GATE 2022 exam will lead to cancellation of candidature and/or legal action.</li> </ol> |                                 |                                                                                                                                                             |                                                                                     |                                                                                                                                      |  |

| <b>Instructions to the Candidate</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |                                 |                                                                                                                                                                                                                       |                    |                                                                                                                                     |  |
| <ol style="list-style-type: none"> <li>1. A printed copy of this Admit Card must be presented for verification along with the original (not photocopy or scanned copy) valid photo identification proof which is mentioned above. In case of poor quality of photo on ID proof, candidate MUST bring an additional recent valid photo ID also (For example: Passport, PAN Card, Voter ID, Aadhaar Card, Driving License).</li> <li>2. Admit Card is considered to be valid only if both the photograph and signature are clear. To ensure this, print this admit card on A4 sized paper using laser printer, preferably in colour.</li> <li>3. To facilitate the verification of their identity by the centre officials, candidates must report to the examination venue at least 90 minutes before the scheduled commencement of the examination.</li> <li>4. Candidates will have to go through Photo-Registration and then be permitted to occupy their seats 60 minutes before the scheduled start of the examination. Candidates can login and start reading the instructions 20 minutes before start of the examination.</li> <li>5. CANDIDATES WILL NOT BE ALLOWED TO ENTER EXAMINATION CENTRE 30 MINUTES AFTER START OF THE EXAM.</li> <li>6. Candidates will NOT be permitted to leave the examination hall before the end of exam.</li> <li>7. During the examination, a virtual scientific calculator will be available on the computer screen, which may be used for the numerical calculations.</li> <li>8. Candidates should NOT bring any charts/tables/papers/books/sheets into the examination hall. Scribble pad will be provided for the rough work. Before using it, candidates must write their individual name and registration number. The candidate can possess ONLY one scribble pad at any point of time. Before taking the second scribble pad, if required, the first scribble pad MUST be returned to the invigilator. At the end of the examination, the remaining scribble pad must also be returned to the invigilator.</li> <li>9. Personal calculators, any kind of watches, wallets, mobile phones or any other electronic/communication devices are STRICTLY PROHIBITED inside the examination hall. GATE authorities are not responsible for the safekeeping of candidate's personal belongings. During the examination, candidates may be checked for possession of any of the prohibited items. If the candidate is found to possess any of the prohibited items, candidate will be debarred from the examination and/or subjected to disciplinary action, which may include ban from appearing in future examinations.</li> <li>10. Candidates must bring their own pen, pencil, transparent water bottle and pocket size hand sanitizer. Without proper face MASK in place, the entry of the candidate in the examination center shall be PROHIBITED. MASK must be in proper position throughout candidate's presence in the examination hall.</li> <li>11. Before entry to the examination centre, the centre officials may assess the health condition of the candidate. All candidates MUST adhere to the COVID related protocols in compliance with the orders and directives of Government of India and local authorities.</li> <li>12. As per Govt. order, any candidate who is Covid-19 positive or has any other infectious/contagious diseases, MUST NOT come out of home/hospital; and hence the entry for such candidate will be DENIED. Asymptomatic candidates, if any, who have temperature higher than 99.4°F or Cough/ Runny Nose will be taken to ISOLATION area for the examination.</li> <li>13. On the exam day, candidate must NOT have COVID symptoms, NOT in quarantine and was NOT in close contact with any COVID patient during the last fortnight.</li> <li>14. Violation of any of the above guidelines including impersonation or breaking of code of conduct for GATE 2022 exam will lead to cancellation of candidature and/or legal action.</li> </ol> |                                 |                                                                                                                                                                                                                       |                    |                                                                                                                                     |  |

| <b>Instructions to the Candidate</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |                                 |                                                                                                                                                                                                      |                                                                                     |                                                                                                                                     |  |
| <ol style="list-style-type: none"> <li>1. A printed copy of this Admit Card must be presented for verification along with the original (not photocopy or scanned copy) valid photo identification proof which is mentioned above. In case of poor quality of photo on ID proof, candidate MUST bring an additional recent valid photo ID also (For example: Passport, PAN Card, Voter ID, Aadhaar Card, Driving License).</li> <li>2. Admit Card is considered to be valid only if both the photograph and signature are clear. To ensure this, print this admit card on A4 sized paper using laser printer, preferably in colour.</li> <li>3. To facilitate the verification of their identity by the centre officials, candidates must report to the examination venue at least 90 minutes before the scheduled commencement of the examination.</li> <li>4. Candidates will have to go through Photo-Registration and then be permitted to occupy their seats 60 minutes before the scheduled start of the examination. Candidates can login and start reading the instructions 20 minutes before start of the examination.</li> <li>5. CANDIDATES WILL NOT BE ALLOWED TO ENTER EXAMINATION CENTRE 30 MINUTES AFTER START OF THE EXAM.</li> <li>6. Candidates will NOT be permitted to leave the examination hall before the end of exam.</li> <li>7. During the examination, a virtual scientific calculator will be available on the computer screen, which may be used for the numerical calculations.</li> <li>8. Candidates should NOT bring any charts/tables/papers/books/sheets into the examination hall. Scribble pad will be provided for the rough work. Before using it, candidates must write their individual name and registration number. The candidate can possess ONLY one scribble pad at any point of time. Before taking the second scribble pad, if required, the first scribble pad MUST be returned to the invigilator. At the end of the examination, the remaining scribble pad must also be returned to the invigilator.</li> <li>9. Personal calculators, any kind of watches, wallets, mobile phones or any other electronic/communication devices are STRICTLY PROHIBITED inside the examination hall. GATE authorities are not responsible for the safekeeping of candidate's personal belongings. During the examination, candidates may be checked for possession of any of the prohibited items. If the candidate is found to possess any of the prohibited items, candidate will be debarred from the examination and/or subjected to disciplinary action, which may include ban from appearing in future examinations.</li> <li>10. Candidates must bring their own pen, pencil, transparent water bottle and pocket size hand sanitizer. Without proper face MASK in place, the entry of the candidate in the examination center shall be PROHIBITED. MASK must be in proper position throughout candidate's presence in the examination hall.</li> <li>11. Before entry to the examination centre, the centre officials may assess the health condition of the candidate. All candidates MUST adhere to the COVID related protocols in compliance with the orders and directives of Government of India and local authorities.</li> <li>12. As per Govt. order, any candidate who is Covid-19 positive or has any other infectious/contagious diseases, MUST NOT come out of home/hospital; and hence the entry for such candidate will be DENIED. Asymptomatic candidates, if any, who have temperature higher than 99.4°F or Cough/ Runny Nose will be taken to ISOLATION area for the examination.</li> <li>13. On the exam day, candidate must NOT have COVID symptoms, NOT in quarantine and was NOT in close contact with any COVID patient during the last fortnight.</li> <li>14. Violation of any of the above guidelines including impersonation or breaking of code of conduct for GATE 2022 exam will lead to cancellation of candidature and/or legal action.</li> </ol> |                                 |                                                                                                                                                                                                      |                                                                                     |                                                                                                                                     |  |

**Instructions:**

- Only those candidates who have taken the Common Admission Test (CAT 2021) are entitled to receive the score card. Keep a print-out of this score card for your information pertaining to CAT 2021. You will not receive the score card by email or by post.
- The Overall Scaled Score is the sum of the scaled scores of the candidate in the three sections.
- Percentile refers to the percentage of candidates who receive a scaled score less than or equal to the scaled score obtained by the candidate.
- IIMs and Non-IIM member institutions independently decide how to use CAT 2021 scores in line with their own selection process. The scores are to be used only for selecting the candidates to their respective Post Graduate/Doctoral (Fellow) Programme(s) in Management.
- Detection of instances of incorrect information and process violation by a candidate at any stage will lead to disqualification of the candidate. CAT scores of such candidates who are disqualified will become null and void. Such disqualified candidates will not be allowed to appear for CAT in future. If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification and the associated penalties will take place with retrospective effect.
- All queries regarding post-CAT 2021 selection process must be directed to the respective IIMs. CAT Centre will not answer post-CAT queries.
- CAT 2021 score is valid only until 31st December 2022 and is subject to the candidate meeting the minimum eligibility marks in the qualifying examination. The score card will be available on [www.iimcat.ac.in](http://www.iimcat.ac.in) till 31st December 2022 to download.
- Without a username cat2021@iimcat.ac.in & password iimcat@iimcat.ac.in will be available till 31st March 2022.

Mr. Peerzada Faizan Rasool,  
Chennai, India

Date: 13<sup>th</sup> December 2021**Appointment as Trainee**

Dear Mr. Faizan Rasool,

We are glad to inform you that to join Hexamap Solutions Pvt., Ltd. (formerly known as Red Planet Consulting) for Internship training in our organization. You will begin your Training period with the Company on 15<sup>th</sup> December 2021 (Wednesday).

You will be paid a lumpsum amount of Rs. 11,000 (Rupees Eleven Thousand Only) per month, less applicable tax deduction of 10% (i.e.) Rs 1100 (Rupees Thousand One Hundred Only) and withholdings (If any). As a trainee, your employment status will be "temporary employment". As a temporary employee, you will not receive any of the employee benefits that regular company employees receive, including but limited to, health insurance, vacation or sick pay, transport, paid holidays etc.

Your training period is planned for three months from your date of joining and the work timings would be from 10 AM to 7 PM.

During this period, you may have access to company affairs secrets and confidential business information belonging to the Company. By accepting this offer of employment, you acknowledge that you must keep all this information strictly confidential, and refrain from using it for your own purposes or from disclosing it to anyone outside the Company. In addition, you agree that, upon conclusion of your employment, you will immediately return to the Company all its property, equipment, and documents, including electronically stored information.

By accepting this offer, you agree that throughout your training period, you will observe all policies and practices governing the conduct of our business and employees, including our policies prohibiting discrimination and harassment.

You are required to serve the company for a minimum period of 15 months from the date of joining in lieu of providing the complete training to you. In case you want to leave the company for whatsoever reason before completion of such 15 months period, you will pay liquidated damages of Rs. 1,00,000 to the company. Liquidated damages will be in addition to any other penalties of serving a notice period as per regular employment terms in India.

## CRITERION 2

## Teaching-Learning and Evaluation

Once you complete the Internship period, we will have a performance review and based on the feedback your employment will be confirmed upon the salary revision which will be par with the industry standard for a fresher. If we found your performance unsatisfactory during the Internship period, company has the rights to extend / terminate the offer with immediate effect.

We request you to submit the below mentioned documents at your end on your Date of Joining.

**Documents to be submitted:**

- Resume Copy latest
- Academic testimonials (10th, 12th, Graduation)
- Technical Certifications (If Any)
- Passport size color Photographs – 2 Nos
- Previous years Mark Sheets Copy
- Identity Proof - PAN Card and Aadhar Card Proof

We wish your association with the Company will be successful and rewarding. Please indicate your acceptance of this offer by signing below, also please confirm through mail for the internship offer as your acceptance.

Yours Sincerely,

**For Hexamap Solutions Pvt. Ltd.**

Employment Offer Letter

Date Reporting to Work –31 Jan 2022

Dear Mr Gokul V

With reference to your application and subsequent interview you had with us, we are pleased to offer you an employment in our Organization as **Junior Engineer** on the following terms and conditions: -

1. You will be on Probation for a period of Six months, which can be extended at the discretion of Management if your performance is not found to be satisfactory.
2. On satisfactory completion of your Probation, you will be taken into permanent rolls of the Company.
3. During the period of Probation, your services can be terminated at any time if your performance is not satisfactory and after completion of your Probation, your services can be terminated on either side by giving a month notice.
4. Your services are transferable to any Department/Place as and when required by the Company.
5. During the period of Probation and subsequent employment, you will be governed by all the Rules and Regulations of the Company which are currently in force and that may be introduced/amended from time to time.
6. You will not take any part time or full-time employment while you are in our service and if found, your services will automatically come to an end.

## CRITERION 2

## Teaching-Learning and Evaluation

## GANA OUTSOURCING Pvt. Ltd.

7. Your compensation package would be as explained in Annexure I. However, the structure of your Compensation plan may be altered / changed from time to time in line with the compensation policy and practices of the Company.
8. Your service will be terminated in case you are found physically/mentally unfit to work any longer or for continued ill health as certified by the medical officer/medical practitioner nominated by the Company.
9. In the event of your absence from work for more than seven days without written permission from your Manager, it would be assumed that you have voluntarily abandoned the services of the organization, and your name will be removed from the rolls of the Company as if you have deserted employment on your own.
10. Without prejudice to the foregoing, you will be governed by all the Rules and Regulations of the Company which are currently in force and that may be introduced/amended from time to time.
11. On the date of joining, you are advised to produce the following original documents for verification and submit xerox copies for our records.
  - a) Copies of your Educational Certificates & Mark sheets.
  - b) Four passport size and one stamp size color photographs.
  - c) Copy of Aadhaar Card
  - d) Pan card

Please sign and return to us the duplicate copy of this letter and Annexure(s) as token of your acceptance for accepting the offer.

We wish you the best and look forward to a mutually fruitful association.

Yours sincerely,

Srinivasan N  
Director
