Expert / Speaker Details:

- 1. Name, Designation, Organization** : Dr.Ganesh Devaraj, Founder, Soliton.
- 2. Brief about Expert/Speaker** : Ganesh founded Soliton in 1998 and over the years he brought together a team of talented and passionate people who have established the company as the global leader in providing software solutions for the automation of semiconductor design validation. Soliton has received over 25 technology awards for its innovative work and has built an outstanding reputation for integrity, excellence, and customer satisfaction. Ganesh also serves on the Board of Directors of ELGi Equipments and on the Board of Trustees of Shanti Ashram. Before starting Soliton, Ganesh worked as a Project Scientist at V I Engineering in Michigan. Ganesh received his Ph.D. in Theoretical Particle Physics and M.S. in Electrical Engineering, both from the University of Michigan, Ann Arbor, and his B.E. in Electronics and Communication Engineering from the PSG College of Technology, Coimbatore. Ganesh is also very keen on developing scalable ideas that can improve the quality of engineering education in India and is looking forward to working in this area in the coming years.

Outcome of the Activity:
