Dear HOD_Electronics,

Good Afternoon

We appreciate the student's interest and can continue the internship from Feb 1st .

Student should carry a sign and seal from the HOD of the mail when he comes for internship.

Dear Sir,

Greetings ...

Our final year student Mr.Y.RAGHUL (18EIR062) is interested to undergo internship in your esteemed organization. As per college norms, he will be allowed to attend internship during this 8th semester. If End semester examinations are scheduled during his internship period, he may be permitted to avail leave to attend the exams.

Hence, we request you to consider him and provide an opportunity to do internship in your company from Feb 1, 2022.

Thank you

With warm regards,
